Get Involved and Meet Your Future Workforce

Each school year, Invest educates students about insurance and the wealth of career opportunities the industry offers.

BENEFITS OF VOLUNTEERING IN THE CLASSROOM

Give back to your local community

Highlight the value of your agency or company to potential consumers

Engage with the next generation of potential insurance professionals

Show how diverse, interesting and rewarding insurance careers can be

Meet your next intern or employee

How to Volunteer at a Local School

- ✓ Attend a high school or community college 'Career Day'
- ✓ Offer a field trip, job shadow or internship at your office
- ✓ Partner with an Invest instructor to teach an insurance topic in class
- ✓ Spend a few hours as a guest speaker discussing your career
