BY 2028, 500,000 JOBS WILL BE OPEN IN THE INSURANCE INDUSTRY

These jobs aren't limited to sales— the industry needs a wide variety of talent. Technology, analytics, cybersecurity, operations, service, marketing, design, community relations— name the passion and insurance has a career.

INVEST IS DETERMINED TO HELP FILL THOSE OPEN POSITIONS

Modern Insurance Curriculum

It's easy to implement Invest in any classroom. The free online curriculum includes lesson plans, textbooks, classroom activities and interactive resources.

Career Connection

Students meet insurance professionals willing to provide a hands-on, real-life perspective. Invest makes it easy for volunteers with presentations, videos, career day support and internship guides developed to attract more professionals to the independent agency system.
