

We Attract the **Next** Generation of Insurance Professionals

BY 2020, **400,000** JOBS
WILL BE OPEN IN THE
INSURANCE INDUSTRY.

These jobs aren't limited to sales—the industry needs a wide variety of talent. Technology, analytics, cybersecurity, operations, service, marketing, design, community relations—name the passion and insurance has a career.

INVEST

INVEST IS DETERMINED TO HELP
FILL THOSE **OPEN POSITIONS**.

MODERN INSURANCE CURRICULUM

It's easy to implement InVEST in any classroom. The free online curriculum includes lesson plans, textbooks, classroom activities and simulation interactive resources.

CAREER CONNECTION

Students meet insurance professionals willing to provide a hands-on, real-life perspective. InVEST makes it easy for volunteers with presentations, videos, career day support and internships guides developed to attract more professionals to the independent agency system.

INVEST WORKS

Our Mission: Educating, preparing and attracting diverse new talent to the insurance industry.

30,000+
students

44 states

885
programs

\$75,500 in
scholarships
to **76** students
