

Agency and Individual Contributor Partnership Guide 2026 / 2027

About Us

Invest empowers individuals through insurance education, financial literacy, and risk management while encouraging the next generation to pursue a career in the insurance industry.

Focus Areas

Insurance Education

Delivering engaging and creative introductions to insurance—an essential element of financial literacy now required for high school graduation.

Career Awareness

Connecting students with insurance professionals through in-person experiences that highlight diverse career opportunities in the industry.

Scholarships

Providing collegiate and classroom-to-career scholarships that support and encourage future leaders in insurance.

Join Us Today

Invest is a 501(c)(3) nonprofit dedicated to advancing insurance education and career awareness. Your support empowers the next generation of insurance professionals through engaging curriculum, classroom experiences, career exploration and scholarships.
